Photo and video authorization concerning Nadeshicon Idol

I allow Festival Nadeshicon and its attendees to:

- Take pictures of my child;
- Record videos in which they figure, and which could be broadcasted online or on DVD without any compensation, financial or otherwise;
- Have their name appear in texts (articles and posts);
- Quote them in texts (articles and posts);
- Have them interviewed by press representatives or members of the Nadeshicon staff.

This authorization is granted, free of charge, for the Nadeshicon Idol activity that will be held on Sunday, March 26, 2023, at the Quebec City Convention Centre as part of the Nadeshicon festival. I understand that the permissions granted above can be used to target different demographics in order to promote Nadeshicon and its activities. As such, all of them may be used in part or in full for posts on Nadeshicon's social media (Facebook, Instagram, website, etc.) and in the festival's program. I understand that, while Nadeshicon condemns any abusive use its attendees could make of the photos, video recordings and audio recordings, it has very limited power over such behaviours and, as such, cannot be held responsible for its attendees actions. Nadeshicon will not use your child's pictures, videos or quotes in any way that would denigrate or ridicule them, and will not tolerate any offensive comments posted by a third party on the media mentioned above.
